Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Interview was a continuation of an interview conducted on August 16, 2001.

Discussed proposed claims. The examiner stated that the proposed claims do not correspond to claims 5, 7 and 13-15 (rewritten in independent form including all of the limitations of the base claim and any intervening claims) but instead incorporate different combinations of limitations. The evaluation of allowability was based on the current chain of dependencies in the instant case. The proposed claims raise new issues that would require further consideration and/or search and do not materially reduce or simplify the issues in the instant case.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).

Unless the paragraph above has been checked, THE FORMAL WRITTEN REPLY TO THE LAST OFFICE ACTION MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP section 713.04). See Summary of Record of Interview requirements on reverse side or on attached sheet.
